ACCEPTANCE OF DONATIONS

1. During 2025, IARC received unconditional donations for a net total amount of €23 557.54 from the donors listed in the Annex below. These contributions were accepted by the Director in accordance with Resolution [GC/4/R3](#) and credited to the Special Account for Undesignated Contributions in accordance with Resolution [GC/23/R6](#).
2. In accordance with Resolution [GC/23/R6](#), funds from the Special Account for Undesignated Contributions may be used for “special projects recommended by the Scientific Council and approved by the Governing Council”. In 2016, the Governing Council approved a standing authorization to the Director, for the period 2016–2020, to allocate funds from the Special Account for Undesignated Contributions to five priority projects based on the Medium-Term Strategy (MTS) 2016–2020 (Resolution [GC/58/R12](#) refers). Likewise, in 2021, the Governing Council approved a standing authorization to the Director, for the period 2021–2025, to allocate funds from the aforesaid account to four priority projects (Resolution [GC/63/R10](#) refers).
3. The Director would like to request the Governing Council to approve a similar standing authorization, for the period 2026–2030, to allocate funds from the Special Account for Undesignated Contributions to unfunded activities within the Flagships, based on the MTS 2026–2030 (Document [GC/68/13](#) and [Annexes](#)). The Director will continue to report to the Governing Council on the use of the Special Account for Undesignated Contributions on a yearly basis, indicating funds allocated to the Flagships as applicable.
