

*Monday 11 and Tuesday 12 May 2020*

*To be held by webconference (due to COVID-19 pandemic and travel restrictions)*

## **CORRIGENDUM**

This corrigendum is issued to replace paragraph 9 on page 4, paragraph 21 and figure 3 on page 6 in Document GC/62/7 Financial Report, Report of the External Auditor, and Financial Statement for the year ended 31 December 2019, by the following:

9. The regular budget 2018–2019 was approved by the Governing Council in May 2017 amounting to €44.15 million, fully funded from assessment of contributions from Participating States, of which €21.91 million was allocated to 2018 and €22.24 million was allocated to 2019.
21. About 81% of contributions came from the following nine donors and as shown in Figure 3.
  - Bill and Melinda Gates Foundation (BMGF, USA)
  - European Commission – Research Directorate-General (EC RTD, Belgium)
  - World Cancer Research Fund International (WCRF, UK),
  - National Institutes of Health/National Cancer Institute, (NIH/NCI, USA),
  - Institut National Du Cancer (INCa, France),
  - European Society for Medical Oncology (ESMO, Switzerland)
  - Research Council of Norway (RCN, Norway)
  - Children with Cancer UK (CwC, UK)
  - Agence Nationale de la Recherche (ANR, France)
